## USN-2: Verifying account details and confirming the code in activation email

The screenshot shows the IBM Cloud account creation process. On the left, there's a form titled "Create an IBM Cloud account" with a link to "Log in" if the user already has an account. The form has two sections: "Account information" with the email "hello@dashganga@gmail.com" and an "Edit" link, and "Verify email" which states a 7-digit verification code was sent to "hello@dashganga@gmail.com" and is valid for 30 minutes. The verification code "9160049" is entered in a text field. Below the field are "Next" and "Resend code" buttons. At the bottom of the form is a "Continue" button. On the right, there's a large blue graphic with a white checkmark. Text on the right says "Get started with a USD 200 credit" (Receive a credit for your first USD 200 of apps and services on us.) and "Build your journey to public cloud" (Build, deploy, and manage solutions in IBM's public cloud.). The top navigation bar includes "Catalog", "Cost estimator", and "Docs".

The screenshot shows the "My IBM" dashboard. The top navigation bar includes the IBM logo, "My IBM" (selected), "Profile", and "Billing". The user's IBM ID is "pavi7025@gmail.com". The main section is titled "Products" and "Trials" with "2 Offerings". There are two trial cards: "Cognos Analytics on Cloud Trial for Students" (Active, Expires on Sep 12, 2023) and "IBM Cognos Analytics on Cloud - Trial" (Active, Expires on Nov 30, 2022). To the right, there's a section titled "Let IBM provide you technology and business solutions to fit your needs" with a link to "View catalog". A "Need help? Get product support" link is also present.
